Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner informed Mr. Freedman that claim 27, a product-by-process claim, is not patentable. The examiner explained the rationale behind her decision and asked Mr. Freedman if he would cancel claim 27. Mr. Freedman stated that he needed something in writing to present to his clients before such a decision could be made. The examiner stated that she would send out another office action.
